In a tough economy, many of us are faced with the difficult tasks of paying bills, purchasing supplies, and in some cases, giving up our pets because we can't afford them anymore. This means an increase in displaced pets, more pets in animal shelters and more pets turned out onto the streets. Can you make a difference? You bet you can! **PLEASE**, take a moment to participate. Your simple donation of **\$5.00 a month** will help feed our dogs.

We all spend **\$5.00** and don't know where it went...Starbucks/ a Happy Meal/ a Cocktail...This **\$5.00** you'll know was spent 100% to feed our dogs.

"Never be afraid to do what's right, especially if the well-being of a person or animal is at stake. Society's punishments are small compared to the wounds we inflict on our soul when we look the other way."
